Working together for a Happy Home

Wanted:

Allies for a safe and happy home

We are looking for volunteers, key people, professionals and organisations who want to help build a safe future for migrants and status holders in Groningen

What we do

- Creative gatherings (dialogues, cooking workshops, celebrations, dance evenings)
- Conversations on safety, norms & values, signals and help

What we are looking for

- Key people & volunteers to help organise
- Professionals & organisations to share knowledge and create a network

Together, we make domestic violence a topic that can be discussed and build a safe and happy home.

Do you want to be part of this important network?

Contact the project leader for domestic violence and child abuse among migrants and status holders.
